

Cordless Convenience. Uncompromising Power.

The Ingersoll Rand IQ^V Series[™] tools offer versatile performance, cordless convenience and rugged durability in compact packages with class-leading ergonomics—key benefits in the automotive services and MRO markets.

Accessibility:

The compact, cordless design of every IQ^V Series[™] tool makes accessing tight spaces easier.

Comfort:

Lightweight design and small handles help minimize fatigue, making tools more ergonomic and comfortable to hold.

Durability:

Chemical- and impact-resistant housings withstand tough environments and repeated drops, while protecting interior components.

Choose Your Power.

The IQ^{v12} Series[™] of 12-volt tools combine lighter weight and smaller sizes with ergonomic design to make accessing difficult areas easier and to minimize operator fatigue. The Ingersoll Rand IQ^{V20} Series[™] of 20-volt tools deliver hard-hitting, long-lasting power, with the uncompromising ability to stand up to the all day, every day demands of professionals. IQ^v Series[™] tools **Do the Job, Do it Fast, Do it Every Time.**

Ingersoll Rand's BC1121-EU lithium-ion universal charger gets all of the batteries in our IQ^{V12} and IQ^{V20} Series[™]* lineup charged and ready to go whenever you are. Whether it's our 20 V or 12 V batteries, this innovative, multi-use battery charger will make it easier and faster to have a freshly charged battery to get your work done now, not later.

Performance: The BI 2022 5 0 Ah delivers 68 % longer run time than its predecessor at the same size and

High-power, extended-life 20volt lithium-ion battery delivers high-charge capacity and low internal impedance for maximum power delivery and exceptional runtime.

Performance: The BL2012 2.5 Ah delivers 100 % longer run time than its predecessor at the same size and weight.

Durability: The intelligent Battery Management System allows the battery to communicate with the tool and charger to prevent over loading, over charging and over discharging for longer tool and

Performance: The BL1203 battery provides 2.0 Ah of 12-volt power, intelligently managed by the IQV12 *Series*™ system for maximum tool runtime

2.0 Ah Li-Ion battery with fuel gauge for battery charge visibility, so you can better prepare to get more work done

Compatibility: Charge any of your IQ^{V12} and IQ^{V20} Series[™] batteries on the same universal charger.

Productivity: An LED Fuel Gauge and audible alarm will let you know when your batteries are fully charged and ready to get back to work.

Versatility: The USB charge port on the side means you don't have to fight for an outlet with your tablet or smart phone. Let us take care of the clutter; you take care of what's next.

^{*}For use with any of our IQV12 and IQV20 Lithium-Ion Batteries, BL2022, BL2012 and BL1203.

Power Controlled Impact Wrench for *W7152 & W7252* **High-Torque Impact Wrench** W7150 1/2"

Tuned impact mechanism

delivers 2,040 Nm nut-busting torque and 1,360 Nm of MAX torque from a tool that measures just 207 mm from tip to tail and weighs only 3.4 kg

Shadowless 360 degree LED light ring with task light mode and 4 dimmable settings

All-metal drivetrain and

hammer mechanism is robust, durable and optimized for maximum power and efficiency

*Requires 5.0 Ah battery for maximum performance

delivers more torque, is more durable and more efficient; 1,057 Nm max torque and 1,491 Nm nut-busting torque equals the output of our 2135QXPA air impact wrench—all from a 3.1 kg tool/battery combo

Tuned impact mechanism

Variable-speed switch provides maximum control of the tool

Patent-pending soft touch over-molded grip minimizes vibration, reduces fatigue and enhances user comfort during extended use

Tough composite housing and patented steelreinforced frame protects against fluids, chemicals and repeated drops

IQ^v Power Control **System** with 4 modes and including 2 shut

Reciprocating Saw C1101 **LED Task Light** *L1110*

Patent-pending aluminum head dissipates heat and white LED casts is lightweight, yet heavy-duty Multi-position head and standing base for lighting from above and below **Extended runtime** of 6.5 hours with BL1203 battery

Ideal for:

automotive repair

Ideal for:

Ultra-bright

L1110
