

PNEUMATIC TITANIUM IMPACT WRENCHES

3956 Series: 3956B1Ti, 3956B2Ti, 3956A2Ti, 3956B2TiEX

GOLD STANDARD PERFORMANCE

3956 Series: 3956B1Ti, 3956B2Ti, 3956A2Ti, 3956B2TiEX

The best just got better. We've taken our popular premium impacts and improved on them in truly impactful ways with our newly designed 3956 Series Titanium Pneumatic Impacts. A 360° D-aux handle ensures enhanced ergonomic performance, with greater access and less operator fatigue. An increased power rating provides the confidence you need to power through the toughest of jobs. Our brand name prominently and proudly emblazoned on the side lets you know it's from the first name in impact tools: Ingersoll Rand®. Because when it comes to performance, durability and reliability, there is simply no substitute for the best.

RELIABILITY:

Assembled in the USA and backed by our broad network of parts and service to ensure unsurpassed serviceability

DURABILITY:

Optimized titanium hammer case, along with bronze endplates and corrosion-resistant parts

ERGONOMIC:

Ergonomically enhanced 360° D-aux handle

PERFORMANCE:

Best-in-class power-to-weight performance, delivering 5,450 ft-lbs (7,300 Nm) of breakaway torque

3956 SERIES 1.5" Titanium Pneumatic Impact Wrenches

| Model | Size | Actuation | Drive Type | Style | MAX Reverse Torque ft-lbs (Nm) | Forward Torque ft-lbs (Nm) | Free Speed (rpm) | Weight lb (kg) | Length in (mm) |
