

**MEET THE IQV20™
CORDLESS
RECIPROCATING SAW**

Built with best-in-class durable materials, a brushless motor, and a fully adjustable shoe, it works overtime so you don't have to.

NEED FOR SPEED? NO PROBLEM.

The Ingersoll Rand® IQV20™ Cordless Reciprocating Saw combines next-level power and speed to cut through steel 20% faster than leading competitor tools. A powerful brushless motor and premium gearing extends tool longevity without sacrificing cutting speed or stalling on the toughest of jobs. A lightweight build and Ingersoll Rand IQV20™ batteries keep you and your tools running all day long. The next generation of sawing technology is here — and it's majorly powerful.
