Ingersoll Rand® 119MAX & 123MAX Air Hammer

The Ingersoll Rand® 119MAX and 123MAX Air Hammers are built on the hardworking and respected foundation laid by the 118MAX and 122MAX. The result is light, quiet and powerful, air hammers that deliver an incredible level of performance and power at a cost that won't punish your wallet. Great for exhaust and front-end jobs, general bolt cutting, pin driving and body shearing work. The 119MAX and 123MAX are optimized for the vehicle repair industry, heavy trucks, and MRO. Both models are available as bare tools with a quick change retainer and as kits with tool, quick change retainer, and 5-piece chisel set. The 119MAX and 123MAX are the finely tuned and crafted air hammers you need to tackle your everyday jobs in the toughest environments.
